

Consultation & Conversion SOP

V-Unite Aesthetic Clinic · Version 3.1 · Effective 1 January 2026 · Owner: Clinic Manager

1. Purpose & scope

This SOP governs how every paid and complimentary consultation is run, from booking to follow-up, across all treatments. It applies to all providers and front-desk staff.

2. Booking & deposits

- 2.1 A non-refundable deposit of **GBP 50** is taken at the time any consultation is booked.
- 2.2 The deposit is credited in full against the price of any treatment booked within **30 days** of the consultation.
- 2.3 Front desk confirms every appointment by SMS 24 hours in advance.

3. Running the consultation

- 3.1 Allow 20 minutes. Structure: history & goals (5) → assessment (7) → options & plan (8).
- 3.2 **Every consultation must end with a written treatment plan and a dated price quote handed to the client before they leave.** No client leaves with only a verbal figure.
- 3.3 The provider records the expected outcome, the number of sessions, and any contraindications in the client record.
- 3.4 If the client is not a candidate for the requested treatment, say so and offer the nearest suitable alternative.

4. Conversion practices

- 4.1 Present exactly two options: a single-session price and a course/package price. Do not overwhelm with more than two.
- 4.2 If the client is undecided at the end of the consultation, book a **provisional treatment date** and schedule a **48-hour follow-up call** before they leave.
- 4.3 Package and course pricing is only ever given in writing (on the quote sheet), never improvised verbally.
- 4.4 **No same-day pressure discounts.** Any promotional price is the standard published promotion, available for the full promotional window.

5. Objection handling

“It's too expensive”

Acknowledge, then reframe to cost-per-session or cost-per-month over the course. Offer the package price. Do not discount on the spot.

“I need to think about it”

“Of course. Let's hold a provisional date so you don't lose your preferred slot, and I'll call you Thursday to answer anything that comes up.” Then follow section 4.2.

“I'm comparing a few clinics”

Give the written quote, highlight the provider's credentials and the aftercare included, and set the 48-hour follow-up.

6. Follow-up cadence

When	Action	Owner
+48 hours	Phone call — answer questions, confirm or release the provisional date	Consulting provider
+7 days	Email with the quote attached and one testimonial	Front desk
+21 days	Final short message; then mark the lead closed	Front desk

7. Recording outcomes

Within 15 minutes of the consultation, set the outcome to one of: *booked*, *provisional*, *thinking*, *not proceeding*. A consultation with no recorded outcome is treated as a process failure at the weekly review.

8. Cancellations & no-shows

- 8.1 Cancellations or reschedules with at least **48 hours** notice: no charge beyond the consultation deposit.
- 8.2 Cancellation inside 48 hours: **50%** of the treatment price is forfeited.
- 8.3 No-show without notice: **100%** of the treatment price and any deposit is forfeited.
- 8.4 The authoritative wording for clients is the Refund & Cancellation Policy; this SOP is the operational summary.
